

VICE A CAPPELLA HOSPITALITY RIDER

DRESSING ROOMS (if available)

VENUE agrees to provide one (1) private room for ARTIST. Room shall be clean, dry, heated and/or air conditioned, preferably with a sink, towels, toilet, AC outlets, and mirrors. Dressing room must be clean and ready for Artist's use upon arrival time at venue.

Courtesies required regardless of any buyouts that may be selected

- A secured parking area and any required parking pass at no charge to Artist. Parking area should be easily accessible to venue load-in doors, dressing rooms, and stage.
- Five (5) bottles of water for stage and dressing room.
- **Merch Table** - easily accessible and clean table/chair to sell merchandise. Artist to retain 100% of merchandise sales.

MEALS / CATERING – There are five (5) members of the performing Artist.

- VENUE agrees to provide artist five (5) cold or hot meal upon arrival at venue:
- One (1) small fresh vegetable tray
- One (1) small fresh fruit tray

— **Check and Initial to accept five (5) Meal buyouts @ \$20.00 each to be added to Net Compensation on page 1 if not already included.** _____

HOTEL ROOMS

- VENUE agrees to provide at no cost to the Artist, three (3) hotel rooms each with two (2) double/queen beds or (2) hotel rooms if one of the rooms is a larger room with (3) beds. Room shall be at a nationally recognized hotel chain and have indoor (corridor) entrance to room.

— **Check and Initial to accept a Hotel buyout @ \$125.00/night/room, to be added to Net Compensation on page 1 if not already included.**

VICE A CAPPELLA TECHNICAL RIDER

VENUE to provide the following SOUND & LIGHTING equipment adequate for venue and audience size:

- Five (5) Wired handheld microphones (preferable Shure Beta 58A's or similar supercardioid, dynamic handheld mics)
- One (1) ¼ inch input on stage
- A qualified technician(s) on site
- High-quality PA with subwoofer, capable of analog or digital processing (delay/reverb, EQ, compression) to cover house with acceptable level of sound to reach the farthest seats
- Mixer with at least 8 inputs
- Three (3) stage monitors
- Stage area a minimum of 15 feet wide by 15 feet deep

If VENUE is unable to provide one or more technical services ARTIST must be notified within two weeks prior to the event.

HOUSE

As an authorized representative of VENUE, I have read and understand the Hospitality and Technical RIDERS and AGREE & ACCEPT as written, including any buyouts selected.
